

How you can benefit from accelerated depreciation with an OnDeck loan

The scenarios above are illustrative only, and not a complete list of options available to a small business owner. For example, accelerated depreciation is also available if free cash is used to purchase eligible assets and this scenario has not been illustrated.

Assumptions:

- asset is purchased and installed ready for use on 1st May 2019 (figures for 2018/19 tax year)
- company/person has taxable income
- ignores time value of money
- loan is 1.20 COD (cents on the dollar) over a 24 month term, with no origination fee
